Join for a VIE the Investment Banking arm of Société Générale (SGCIB), and more precisely our Global Equity Flow (GEF) desk in Hong Kong.

SGCIB GEF desk offers to regional and worldwide customers flow and derivatives opportunities on a broad range of products, encompassing stocks, indices, warrants, Exchange Traded Funds and execution services on Asian markets.

More precisely, you will be integrated within both vanilla flow desk and light exotic desk for asian markets. This activity is an hub for trading vanilla and exotic products among all different players internally and externally. This includes exotic desk, warrant desk, corporate, private banking and hedge funds clients.

Your role

- You will be in charge of the trading tools for the team. It includes decision making and risk managing tools. (With market conditions changing quickly, there is a constant need to adapt the tools to the current situation).
- You will also backtest and implement trading strategies in order to provide trading ideas for the desk or for our clients.

The VIE assignment in a nutshell

This VIE in Hong Kong is to begin as soon as possible but you need to plan 3 months between your application date and the beginning of your VIE assignment. It will last 18 months. You will receive an allowance to complete Ubifrance allowance.

The VIE is a specific contract, under Ubifrance's eligibility criteria, opened to candidates under 28 and from the member states of the European Economic Space. For further information, please see www.civiweb.com.

Your profile

Graduate from an **Engineering School or University**, with major in Mathematics/Computer Sciences, you ideally have a strong mathematical background, as well as a Visual Basic coding experience.

Your speak English fluently. You are proficient with Excel and Visual Basic.

Reliable, tenacious you are also results and quality oriented.

Proactive, you are able to identify and understand perfectly the risk you are taking.

Finally, your self control and your good analytical skills will be the keys to succeed in your mission.

Your career path

You will gain both a theoretical and practical knowledge in option trading.

It will be a great plus to join Société Générale group permanently after your VIE mission, without going through the whole recruitment process again.

To facilitate the examination of your application by our English-speaking managers, we thank you for applying in English.
