

Financial Engineering Developer - VIE MARK LONDON

YOUR ENVIRONMENT

Join for a VIE Société Générale Global Banking and Investor Solutions (GBIS) in London.

You will integrate our MARK department and more precisely the FX/Rates Engineering team in London.

You will work in the MARK/ENG department. As a Front Office developer the VIE will sit on the trading floor with the engineers in order to help them in their day to day jobs and grow their business.

YOUR ROLE

As a VIE, your main roles and responsibilities are :

- **Automation of processes:** Review and analyses old/manual processes in order to fully automate them. Understand the structuring team needs and translate them into new tools.
- **Development of automated pricing tools:** Creation and distribution of easy to use pricers and tools for sales, traders and engineers.
- **Working with multiple activities:** Corpo, Retail, PWM, Institutional Clients
- **Participation in multiple worldwide automation initiatives**
- **Maintenance of existing tools**
- **Interaction with multiple teams:** Development of new pricing tools with Trading, teaching and product push with Sales

THE VIE ASSIGNMENT IN A NUTSHELL

This VIE in London is to begin as soon as possible. It will last 12 months.

The VIE is a specific contract, under Business France eligibility criteria, opened to candidates under 28 and from the member states of the European Economic Space.

For further information, please see www.civiweb.com.

YOUR PROFILE

Graduated with a Master degree from Engineering School or University majoring in Computer Sciences with either a finance or maths speciality, you ideally have a first experience as a Front Office developer in a investment bank or developer in a development company.

You speak English fluently. You are proficient with Excel, VBA, OO languages (Python, C#) and relational database.

YOUR CAREER PATH

You will develop your financial knowledge on Fixed Income products, develop his/her technical skills by developing Excel/VBA and Python/C#.

You may have the opportunity to join Société Générale group permanently after your VIE mission, according to opportunities, without going through the whole recruitment process again.

To facilitate the examination of your application by our English-speaking managers, we thank you for applying in English.
