

Summer Internship

Societe Generale Corporate & Investment Banking's success is founded on the skills and talents of our people. As part of one of the world's leading financial services groups, we have ambitious international activities with a broad range of graduate and internship opportunities across the world.

Our internships and part time opportunities will enable you to gain an invaluable insight into SG CIB whilst still at university. You will find opportunities with us that match your aspirations and challenge you in a very dynamic environment. If you want to take part in an excellent experience that will challenge you professionally and put your business spirit to the test then explore the numerous opportunities that we have available.

We have opportunities in the following business areas:

- Global Markets
- Global Finance
- Accounting & Finance
- Investment Banking

If you have an analytical mind, excellent communication skills and can make your influence felt throughout the team, you may be just the candidate we are looking for.

- Undergraduate or penultimate year student from a top university, business school or engineering school
- An excellent academic record
- Fluent in English and at least one other language.
- Fluency in a third language would be a bonus

Are you ready for an exciting international challenge in a global organisation?
